WORK EXPERIENCE

Digital Marketing Expert | 12/2022 - 09/2024

DEVWHISPERS

At DevWhisper, I worked as an Expert Digital Marketing Executive, where I created and implemented digital marketing strategies tailored to each client. I managed social media campaigns, optimized ads, and boosted brand visibility across various platforms. I also analyzed data to improve engagement and conversions, helping our clients grow. Even with tight deadlines, I consistently delivered strong results that made a real impact.

- Consistently delivered results that helped clients grow.
- Quickly adapted to new trends and changes in the digital space.
- Always focused on meeting goals and going beyond expectations.

Senior Social Media Manager | 02/2022 - 11/2022

PIXEL WEB

At Pixel Web, I worked as a Social Media Manager, where I handled the planning and execution of social media campaigns across various platforms. I focused on creating engaging content and building a strong online presence for our clients. My role involved monitoring performance metrics and adjusting strategies to boost engagement and conversions. I successfully grew our clients' follower base and increased brand awareness through targeted efforts.

- Ran social media campaigns that really improved client engagement.
- Developed content strategies that help grow followers & boost brand.
- Used data to fine-tune campaigns and increase conversions.

Social Media Manager | 04/2021 - 09/2021

PNY ADVERTISING

As a Junior Social Media Manager and Graphic Designer at PNY Advertising, I helped create eye-catching content for different social media platforms. I worked on campaigns that matched client goals while keeping everything on brand. I also teamed up with my colleagues to brainstorm creative ideas and design graphics for promotions. This role really helped me sharpen my design skills and get a better grasp of what makes social media marketing effective.

- Created engaging content for social media platform that caught attention.
- Collaborate with the team to develop campaigns that aligned client goals.
- Design promotional graphics that enhanced brand consistency & appeal.

FREELANCING

As a skilled web designer, I've successfully completed projects like **Dahabfoods, Stylish Grove, Holiday Educationist, Digitech Ways, Zawiya Interiors, Devwhispers** and many more. I specialize in creating user-friendly, visually appealing websites that enhance engagement and functionality.

As a social media manager, I've helped both local and international clients by creating strategies, crafting engaging content, and managing their online presence. My work has boosted their brand visibility, increased engagement, and generated more leads across different industries.

MY ACHIEVEMENTS

- **Increased Client Engagement**
 - Developed and executed a comprehensive social media strategy that resulted in a 40% increase in client engagement across various platforms.
- **Enhanced Brand Visibility**
 - Implemented targeted digital marketing campaigns that improved brand visibility for multiple clients, leading to a 30% rise in website traffic within three months.
- **Achieved Significant ROI**
 - Managed PPC campaigns that delivered an average return on investment (ROI) of 150%, optimizing ad performance and driving conversions for client projects.

MY RESPONSIBILITIES

- **Collaborate with Team**
 - Work closely with cross-functional teams, including designers, content creators, and developers, to deliver cohesive marketing efforts.
- **Understand Company Goals and Objectives**
 - Ensure a deep understanding of the company's vision and goals to align marketing strategies with business objectives.
- **Develop and Execute Strategies**
